RATS INVADE DC AREA NEAR MARCHBANKS

DC Thug Admits 20 Bay Robberies

A 25-year-old robber, arrested here Sunday after the beating of a Junipero Serra boulevard gas station attendant, confessed the following night to 20 other crimes in the northern part of the state during the past few months.

Scheduled to appear in municipal court next Thursday on charges of assault with a deadly weapon and attempted armed robbery is Lloyd Franklin, 25, of Hayward. The arrest of Franklin led yesterday to the capture of his alleged accomplice in previous jobs, Nelson Blake, 28, of Mount Eden.

Train of events began at 7:30 a.m. Sunday morning when police were called to the Standard station at 2089 Junipero Serra boulevard. They found Attendant Joe Helterbran bleeding from a head wound and the station office a complete shambles.

Pulls Gun

Helterbran reported that the bandit had loitered around the station for about a half-hour before pulling a gun.

"This is a holdup. Give me the cash," Helterbran reported the gunman as saying.

Helterbran attempted to knock the weapon from the bandit's hand, and the pair fell to battling. The gunman then struck the attendant on the head with the butt of the gun and fled from the station.

A neighbor woman, Mrs. C. Klingler of 700 Niantic street, saw the scuffle from the window and watched the bandit escape to Marchbanks park. There Police Sergeant August Benassini found Franklin hiding in the trees behind the baseball diamond.

Makes Confession

Although Police Inspector Bruno Conci and Lieutenant Roy Beecher suspected that Franklin was implicated in other jobs, he refused to talk when undergoing questioning Sunday and Monday. On Monday night, however, he suddenly requested the opportun-

EMPLOYEES SUBMIT REQUESTS TO BOARD

City employees asked Wednesday night that the personnel board be given sole power to hire and fire, but City Manager Howard Stites branded the proposed policy as "unheard of."

In a special meeting with the personnel board, John Walsh, president, Barbara Galindo, Joseph Intaschi and E. Greenstrand of the Daly City Civil Service Employees association verbally presented several amendments to personnel board rulings.

The employees also asked that power to reduce salaries be taken out of the council's hands and be subject to a vote of the people.

Several other modifications in the rules, most of which have already been discussed previously by the personnel board, were presented by the employee's representatives.

The personnel board asked employees to submit all their requests in writing.

Commenting on the employees' proposal that the personnel board be made the authority for removing and appointing employees, Stites said, "Nobody ever heard of such a thing. I think this will be altered when the employees put their requests in writing."

Under present council-manager form of government, authority to hire and dismiss employees rests with the city manager, subject to review of the personnel board at the employee's request.

Sutter Kin Has New Hopes For $50,000 Claim

Mrs. Anna Sutter Young of Daly City, only living granddaughter of California pioneer Captain John A. Sutter, had new hopes this week that her ancestor's 100-year-old claim against the federal government for $50,000 would be met.

A special bill which may pay the debt John Sutter said the government owed him for permitting squatters to overrun his lands was introduced in Congress Monday by Representative J. Arthur Younger of San Mateo county.

Younger introduced the bill on behalf of Mrs. Sutter, 276 Acton street, and the sons and daughters of her five brothers and sisters.

Under California inheritance laws, she will have to share the $50,000 with the relatives, with one-sixth going to her, the residue to the other kin.

In presenting the bill, Younger said the Congress in Sutter's time had called the claim "just and proper," but had never paid it.

The money is to compensate Sutter's heirs for lands which became Capt. Sutter's under Mexican grants. When gold was discovered in 1849, the property was settled as public domain.

Younger's action in introducing the bill brought the matter closer to settlement than it ever has been.

Said Mrs. Young, "It's going along nicely."

Superintendent Hannah Is In St. Luke's Hospital

Stanford Hannah, Jefferson Union High school district superintendent, is in St. Luke's hospital after being taken ill at his Broadmoor home Sunday.

The superintendent, who suffered a stomach disorder, is reported now to be in good condition but is being held in the hospital under observation.

PROUD FAMILY of Dr. Jon Karlsson, 1635 Sweetwood drive, Broadmoor, pose with the doctor after he received his citizenship papers on Friday. Dr. Karlsson, who holds M.A. and Ph.D. degrees, is a lecturer at the University of California medical school after coming to this country in 1944 from Iceland on a government scholarship. SIX CANDIDATES IN BID FOR TWO CITY COUNCIL POSITIONS

The political broth began to thicken this week as two candidates filed and four others took out nomination papers for the Daly City municipal election April 10.

Incumbent Councilmen Joseph Verducci and Edward J. Dennis were the only candidates who had filed their nomination papers with the necessary signatures at press time yesterday.

Among the six candidates now unofficially in the race for the pair of two-year council seats open, three are from Westlake. They include Mayor Verducci, 118 Wilshire avenue, Paul Hupf, 648 North Mayfair avenue, and Harry Ross, 19 Weston drive. Hupf and Ross, along with Sam Grado, 88 West Cavour street, have both taken out papers, but haven't filed as yet.

Listed only as a "possible" in the contest is Joseph Lewkowitz, 501 Vista Grande avenue, local service station proprietor and trustee of the Jefferson Elementary School district.

Julius Castelan, former city engineer and critic of the present administration, took out nomination papers for Lewkowitz this week.

Lewkowitz said he was "not sure" whether he'd sign the papers and thus signify his intention to run, but declared he would "if the people want me to."

All candidates entered to date indicate they will run independently. Should there be no "ticket" candidates, it would contrast with the 1954 election, which found two "teams" of three in the race.

3 or 4 More

Deadline to file for city council is February 16. Most political observers estimate there will be at least three or four more hopefuls entered in the contest besides the five who have now announced their candidacy.

Besides the two council positions, voters will elect a city treasurer and city clerk at the April 10 municipal election. Terms of Treasurer Paul Selmi and Clerk B. C. Ross expire at that time.

Selmi took out nomination papers this week, while Ross has not as yet indicated whether he will seek re-election or retire from the clerk's post.

Following is a brief biographical sketch and platform of candidates entered to date, as submitted to this newspaper:

Garbage Draws Rodents, County, State Summoned

An infestation of "hundreds" of rats near Marchbanks park brought county and state health officials to Daly City this week in an attempt to eradicate the prolific rodents.

The animals were attracted to the area by wet garbage which had been dumped at the south end of the park and along the railroad tracks, according to City Manager Howard Stites.

Besides the potential danger of disease, the situation was worsened Tuesday when someone stole one of the rat-traps carrying poison toxic to humans.

Poundmaster Charley Mashinot, who said he thought there were "hundreds" of rats teeming over the park, explained that health department workers from the state and county had set out bait stations this week filled with Warfarin, a deadly poison.

Trap Missing

Tuesday morning one of the traps was reported missing. Maschinot warned parents to be on the lookout for the trap, in the belief it might have been removed by children. He said the poison contained in the trap was fatal to humans.

According to the poundmaster, the rodent problem could increase unless the eradication program was successful. He explained that rats multiply every 21 days, bearing from 8 to 10 young in a litter.

Raymond Theep, sanitarian for northern San Mateo county, declared that while the rats might carry many diseases, the main concern was that of bubonic plague. He emphasized that the rats here "do not carry plague fleas," but explained that if one bubonic rodent from a foreign port mingled with the animals, they might all become vectors (carriers). If the animals overpopulate the uninhabited areas, he continued, they would move into nearby residential developments.

"We can eliminate any danger by eradicating all the rats in the trouble spot now before there is an opportunity for them to become infected," he related.

Up to yesterday, none of the rats had been killed by the poison. Stites said the city would purchase additional traps to curb the problem and would be on the lookout for presence of the rodents elsewhere in the city. "If there's one rat, it's too many," declared the manager.

Ask Assistance

Stites said the city would ask continued assistance of the state and county of ridding the area of the rodents.

The manager said the garbage, dumped despite warning signs, had been cleared away from the scene. He recommended "severe punishment" for persons apprehended dumping garbage there in the future. "This very definitely constitutes a hazard to public health," he related.

Circulation Of Recall Papers Starts Today

Circulation of petitions to seek signatures for recall of three Daly City councilmen started today, according to City Treasurer Paul Selmi, leader of the recall movement.

Selmi said 40 persons would begin circulating petitions. The recall workers will carry three petitions, one for each of the three councilmen—Del Wilson, Sanford Vickers and Micheal De Bernardi.

The treasurer, who represents the Better Government for Daly City group, said he thought they would need about 1100 signatures in order to force a special recall election. Twelve per cent of the registered voters must sign the petition in order to call the special vote.

Petitions must be filed with the city clerk within 60 days after the first publication of notice of intention to recall, which means

MOTHERS MARCH AGAINST POLIO GETS OVER $5000

A record breaking $5071.29, reaching almost $1000 over last year's proceeds, was donated to local mothers who marched against polio Tuesday night. The 1955 total was $4182.42.

Mrs. Sanford Vickers, chairman of the "Mothers March," gave the following breakdown on the proceeds: Westlake, $2356.07; Colma and unincorporated Colma, $913.87; Daly City excluding Westlake, $1750, and special donation by Joe Lewkowitz who gave proceeds from Sunday's polio day at the Daly City super service gas station, $51.35.

Persons who were not contacted Tuesday night and who wish to give to the "Mothers March" are

COLLINS REVIEWS HIS LIFE UPON RETIREMENT

Fred A. Collins, who at 65 years of age still shows the same determination that brought him to this country from England at the age of 14, retired this week from his position as a registered sanitarian with the San Mateo county department of public health and welfare.

To honor Collins for his many years' service to the north county area, his many friends will fete him at a dinner on February 28 at the Rockaway Cafe.

Colins was born May 1, 1890, in Rugby, England, where he lived until the age of 14. He was the fourth of six children

In 1904 he decided to come to the United States and made the voyage alone without relatives or friends. Arriving in New York, the boy Collins travelled across the country until he reached Oakland where lived an uncle.

Enlists In Army

Collins, boarding with his uncle, took work in a packing house where he stayed until 1917 when he enlisted in the army. He served in the army three years, two of which were spent overseas in France.

After receiving an honorable discharge from the service, Collins went to work as a meat inspector in Oakland until 1921. From there he moved to San Francisco where he was employed by a meat packing house for the next 15 years. In 1937 he took a position as deputy health officer for San Mateo county.

Collins, who before his retirement was the oldest county sanitary inspector on the job, covered the Daly City, Colma and north coastside area. His duties mainly included the inspection of private restaurants, bars, grocery stores and meat houses.

Hog Ranches

In the early days, a major part of his work involved the inspection of hog ranches. There were 21 such ranches in the 30's, but only three hog ranches are left in the area now, Collins remarked with obvious relief during an interview.

"I didn't like that job," Collins laughed. "It was really dirty."

Another task during his early years in the north county included collecting burial fees, half of the $2 going to Colma and the other half to the county.

Collins first came to Daly City in 1924 when he was asked to lead a parade with his flashy new red automobile.

"Like A Firetruck"

"That car, an Oldsmobile, was like a firetruck," he reminisced.

Collins apparently liked what he saw of Daly City while driving his

Collins, who before his retirement was the oldest sanitary inspector on the county's payroll, lives at 195 B street, Colma, with his wife, Albina. He will be the guest of honor at a dinner given him by old friends on February 28 at the Rockaway Cafe.

Earliest filing deadline of the dozen positions has been set this Friday for the buyer post, now held by William J. Fitzpatrick. At press time no applications had been filed although one is expected before the deadline, the city manager's office reported.

Reverse Action Brings Fire To DC Firehouse

Case of bringing the fire to the firemen was seen Wednesday afternoon at the Westlake station on Lake Merced boulevard.

The incident occurred when an auto driven by Philip de Angelo of San Francisco burst into flames under the dashboard while de Angelo was cruising near Lake Merced. Being unsuccessful at dousing the flames with water from the lake, the driver hastily speeded toward the nearby firehouse.

Firemen obligingly quenched the flames, and de Angelo went off on his way.

Council Asks Selmi To Appear Before Them Monday Night

Transfer of $10,000 from one municipal account to another, held illegal last week by City Treasurer Paul Selmi, was a completely proper transaction. City Attorney Frank Blum told the council Monday night.

In fact, Blum added, if Selmi carried through his threat not to sign the warrant to complete the transfer," he would not be performing his job."

Selmi has charged in recent weeks that two separate fiscal proceedings were "illegal." As a result of the squabble, Mayor Joseph Verducci said the council should ask Selmi to appear before them next Monday to "iron out any problems between the treasurer, the accounting department, city manager and the city attorney."

Claimed "Illegal"

On January 23, Selmi claimed that transfer of $10,000 from the water revenue replacement and extension fund to the municipal water fund was "illegal."

BOY SCOUTS TO "TAKE OVER" DC JOBS NEXT TUES.

Twelve Lake Merced district Scouts will "run" the City of Daly City Tuesday, in connection with Boy Scout Week, February 6 to 12.

Daly City Manager Howard Stites, himself an active Scouter in the Lake Merced district, announced that 12 Scouts, chosen from their troops for their achievements, will take over municipal jobs from 9 a.m. to 12 noon next Tuesday.

Taking over as mayor will be Paul Hanley, senior patrol leader of Westlake Troop 248, while Bill Cole of Troop 241, sponsored by Daly City Rotary club, will act as city manager. Four boys will handle the positions of Daly City councilmen, two will serve in the public works department, and one each in the recreation, accounting, fire and police departments. The boys will accompany the regular city officials as they perform their duties.

The activity will count toward the Scouts' merit badge for citizenship.

Mayor H. H. Smith and Police Chief Jack Doyle urged him to join the Daly City police force, but Collins refused.

"They didn't pay enough money," he answered when asked the reason.

Collins became a good friend of many of the local oldtimers, among whom was Arthur Bodien who will head the dinner for Collins on February 28.

Active In Politics

Before taking the sanitary inspector job for the county, Collins was active in political campaigns and activities.

"And politics were really dirty then," he laughingly added.

After coming to this area, Collins became active in many organizations. He is past president of the Fraternal Order of Eagles, ColmaVista Grande Aerie No. 1848, and past commander of the Veterans of Foreign Wars, Old Glory post No. 2044. He served with the Daly City drum corps and acted as instructor to the Native Daughters of the Golden West drill team.

Now In Colma

Collins now lives with his wife, Albina, at 195 B street, Colma. His brothers and sisters who are still living include: Harold Collins of Oakland, Jack Collins of Berkeley, Mrs. Harold McGurty of Burlingame and Thomas Collins of England.

Plans for the future include mainly "taking it easy," Collins declared. He has suffered heart trouble since 1952 and is retiring on a disability clause.

Collins also hopes to have more opportunity to travel with his retirement, and he and his wife will make short auto trips throughout California, he explained.

Six Candidates In Bid For Two City Council Posts

Therefore I will be able to continue to vote on all civic matters with an open mind, with obligations to no political machine." His nomination papers were signed by William P. Incumbent Joseph Verducci (mayor)

Served as mayor since 1952; head football coach, director of athletics, San Francisco State college; married, father of three children. In announcing he would seek re-election he said his platform, in brief, would consist of, "attempting to guide Daly City through the transition period of growth and trying to maintain the city as a clean, wholesome community that we can be proud to live in." His nomination papers were signed by: Sylvia Silberstein, Walt MacElroy, Vince Alberti, Roy Barghini, Tom Tromborg, Don Lesher, Tony Masini, Frank Monte, Rich Merlo, Jane Keith.

Harry Ross

Thirty years business background, including 18 years as owner of Ross Mercantile Co. Announcing his candidacy, he said, "After reviewing the potential development of our city, I sincerely believe now is the time for successful and practical businesssmen to offer their services to the community. We can jeopardize not only the future of our city, but the rights of the homeowners and taxpayers as well if the elected city officials do not have the maturity, foresight and vision to properly plan for this future growth. I am now in a financial position to offer my time, efforts and mature experience to the fulfillment of a greater Daly City." He is married and has grown children.

Circulation Of Recall Papers Starts Today

(Continued from Page 1)

the recall group will have to have the necessary signatures by March 12. The city clerk then has 15 days after the filing in which to examine the signatures and determine if they are valid and if there are a sufficient number. If there are insufficient signatures, then a supplementary petition must be filed within 15 days to bring the number of signatures up to the requirement. If signatures are still short, another 15-day grace period is allowed in which to solicit them.

Should there be enough signatures, then the council must order the election within 60 days. In this case, the recall group will probably try to complete the petitions in time to get the recall on the municipal election ballot April 10.

Selmi said he thought his group would have the petitions completed in two weeks.

One side of the petitions will contain the charges of the recall group, while the councilmen's answers will be posted on the other side.

Has had own law practice for seven years, graduated from USF law school, member of Daly City personnel board; married, father of two children. Hupf said, "Much of the machinery of government has to be overhauled and brought up to date in order to effect economies and realize more efficiency. He cited as an example the personnel regulations "which are over 20 years old." As a candidate, he said, "I offer the people the opportunity to bring professional ability and experience to municipal affairs. Daly City has reached the stage in growth where it needs these qualifications in its officials."

Sam Grado

Plumber, captain in Volunteer fire department; married. Says he will "work for betterment of city employees, hold to strict policy of accepting only low bids on city contracts." He cited the recent case in which the contract went to highest bidder for supplying heavy equipment.

Council Asks Selmi To Appear Before Them Monday Night

said Monday that, "The council provided for the transfer in the 1955-56 budget." The transfer was made, he said, to pay for water works projects.

On December 19, Stites said, warrant was issued for the transfer. On January 20, he continued, Selmi refused to sign the warrant, claiming it was an illegal transfer.

On January 27 Controller Jerome Scharfman said he received a letter from Selmi notifying him that he had cancelled the warrant, "As I am the one solely responsible . . . and was not consulted, I suggest you consult the city attorney. . . "

Meanwhile, "Selmi's letter to the controller concluded, "This letter will serve as notice that I have cancelled the warrant."

"No Authority"

"The treasurer has no authority to cancel warrants made by council resolution," said Stites.

Blum agreed that Selmi had no such authority to cancel the warrant. "It must be done by resolution. If the treasurer could cancel warrants, who would know if the warrants were even issued. It would throw the entire bookkeeping system into an uproar."

Stites said, "Selmi thinks none of the money in the replacement fund can be used for water works extensions."

Blum explained, "The money is there to be used for expanding water facilities."

It was Selmi's contention that removal of money from the replacement fund wasn't giving adequate protection to the company holding the water revenue bonds.

"I don't know what he's striving at," said Blum, "Asking us to consult him."

"It's another typical Selmi procedure" commented Verducci. "He's about as correct this time as he was on the parking meter revenues (Selmi charged earlier that counting of parking meter revenues was his duty under city ordinance and objected to counting of the money by other city personnel).

Councilman Del Wilson said, "He wants us to move out so he can move in," while Councilman Micheal De Bernardi stated, "Maybe he can't read."

Traffic Cop Escapes Injuries In Accident

Daly City Police Officer James Sunderland suffered only minor injuries Sunday afternoon when he was thrown from his motorcycle in a collision with an auto on Skyline boulevard. California Highway Patrol officers said that the accident occurred when the car made a left turn into a private road from Skyline.

Driver of the car was Bob W. Julius de Heer, 32-year-old Oakland salesman.

Sunderland, 35, 50 Beta street, was responding to an accident on Skyline when the accident occurred. He was treated at Junipero Serra hospital for cuts and bruises.

A MATTER OF CONSIDERABLE IMPORT

On March 27 the Jefferson Elementary School district will ask its patrons to approve borrowing up to $2,500,000 from the state government to obtain funds for constructing needed school buildings.

Because many citizens are in doubt as to just what this means, the citizens committee for better schools has prepared a group of questions and answers to clarify the March 27 election.

The purpose has already been explained—to gain funds for constructing new classroom facilities.

Are the buildings now available sufficient to meet the need?

"No," says the citizens group. "The school district is still growing rapidly and buildings will be needed to house children who are not yet of school age and who will be coming into the district."

What is the predicted enrollment?

The citizens committee estimates that "5668 children will attend school in the district by 1948. If the plans for home construction materialize the enrollment will be much greater."

How much of a state loan will there be?

"Approval is sought to obtain up to $2,500,000 from the state school building aid fund."

Why is the amount established at this figure?

"To meet present and future building needs. Only that part of $2.5 million will be used for which the district can qualify by enrollment. If the enrollment stops increasing only a part of the $2.5 million can be obtained."

Are the local taxpayers now required to pay back money heretofore borrowed from the state for school buildings?

"Yes. .0265 per $100 assessed valuation goes annually to pay back money already borrowed."

How much will the tax rate be increased if this authorization to borrow up to $2.5 million is granted by the voters?

"The maximum repayment tax rate is 40 cents per $100 assessed valuation. If this rate does not raise funds enough to repay the state loans within 30 years the debt is forgiven."

Will the district receive all of the $2.5 million?

"Only if enrollment justifies it."

What specific building projects are planned?

"A kindergarten primary school, a kindergarten through sixth grade, and other projects are being considered, but since actual costs are not known it is not possible to specify at the present time every project for which the funds will be used."

What is the estimated cost of these projects?

"$1,688,190."

Then why raise $2.5 million?

"These projects are based on a two-year projection. A five-year projection shows additional need for 27 more classrooms which probably would mean three more additional schools."

These are some of the questions the average citizen would ask in making his decision. It is important that not only the above facts be weighed, but that voters of the district acquaint themselves even further with the problem by attending school board meetings and discussing the district program with others.

A loan of $2,500,000 is a matter of considerable import and every citizen should see that he has participated in making a decision on an issue of this magnitude.

LOCAL NATIONAL GUARD UNIT TO HOLD OPEN HOUSE

On George Washington's birthday, February 22, Daly City's Company L, 159th Infantry, California National Guard, will hold open house at the armory, 1001 Market street.

Hours will be from 10 a.m. to 4 p.m., at which time visitors may see what their local National Guardsmen are capable of doing as a Combat Rifle Company and what efforts they are making to become the best Infantry unit in the 49th California National Guard division.

Demonstrations and displays will be given by the enlisted personel of "L" Company, illustrating to the public the modern, hard-hitting weapons that are ready to be used by Guardsmen should a national emergency ever occur.

"L" company celebrated its second anniversary as a Daly City unit on January 5. Two years ago, on January 5, 1954, "L" company held its initial meeting at the War Memorial Community center, with four enlisted men, a sergeant and one officer on the official roster. On January 5, 1956, exactly two years later, at the 97th meeting, 115 men stood in "L" Company's ranks, the strongest Infantry Company in the San Francisco area by far, and only 15 men short of the being the biggest outfit in the 159th Infantry Regiment.

LETTERS TO EDITOR

RESIDENTS PRAISE SANFORD VICKERS

Dear Editor:

We citizens of Daly City wish to express our protest to the proposed recall of our present councilman, Sanford G. Vickers.

It is unfortunate that the first time in years we have a councilman who has tried his level best to abolish vice, gambling and corruption is being persecuted.

We sincerely hope that the people of Daly City are sensible enough to see through this recall movement and will stand by a man who is fighting for a better government for all of us.

LARGE PART of the success of Veterans of Foreign Wars, Lake Merced auxiliary No. 9921, is due to Mrs. Maryann Read, president (left), and to Mrs. Hazel Eagleton, secretary and past president. Since the auxiliary's founding in 1949, the group has received citations for outtanding service in seven fields. These are hospital, youth activities, community service, cancer, rehabilitation, legislative and Americanism work.

VFW Auxiliary 9921 Gains Many Honors

Editor's note: This is the eleventh of a articles on local women's organizations. THE RECORD will feature each women's club listed in our files in alphabetical order.

Veterans of Foreign Wars, Lake Merced auxiliary No. 9921, has averaged better than an honorable citation per year since its formation in June of 1949. In the last six years the auxiliary has received recognition for outstanding achievement in hospital, youth activities, community service, cancer, rehabilitation, legislative and Americanism work.

Not only does the group raise funds for these activities through membership dues, but the women sponsor such special events as pot luck suppers, homemaker luncheons, barbecues, come-as-you-are breakfasts, apron sales and rummage sales.

Unique way of obtaining money for the special cancer project is a cancer basket which rotates from one member to another with each member donating money in her turn.

Children's Home

The group also contributes to the annual cancer and cerebral palsy drives and to the Eaton Rapids, Michigan, children's home.

Social events sponsored by the auxiliary include the annual youth guidance dance, twice monthly movies and parties and secret pal events.

Meetings are held on the second and fourth Tuesdays of each month and feature a new and novel idea created by Mrs. Maryann Read when she took office as president of the auxiliary. Women in the group are named as hostesses for forthcoming meetings, and these hostesses select a theme for their particular night. Decorations, refreshments and perhaps even entertainment pertain to the theme chosen by the hostess.

URGE RESIDENTS TO BE WARY OF SOLICITORS HERE

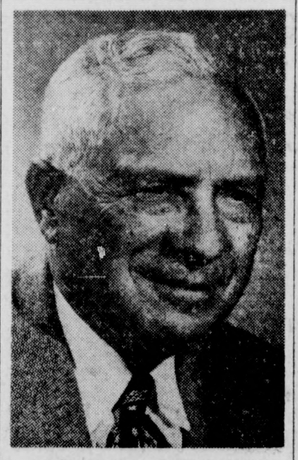
License Collector Martin E. Strubel today issued a plea for residents to notify his office if they are bothered by non-approved solicitors. Both Strubel and the police department have received several calls concerning this nuisance in the past week.

Strubel emphasized the point that persons contact him immediately after being contacted by a solicitor in order that the offender may be contacted before leaving the area.

Approved solicitors carry a white card titled "City of Daly City Solicitor's Permit" which includes pertinent data on the business of the person to whom the card is issued. Permits are given for 30 days only, and expiration dates are on the cards, Strubel said.

Among legal solicitors now operating in the Westlake area are those contacting dog owners to purchase city licenses.

Strubel may be contacted by calling the city hall, PLaza 5-0850.



GEORGE LAGOMARSINO's appointment as director of the racing program of the San Mateo County Fair and Floral Fiesta was announced today by Anthony J. He has been a board member, serving in various capacities, for the past 19 years. In his new position he will be taking over duties carried on for many years by the late Ralph C. MacArthur.

FEDERAL FUNDS FOR FLOOD HERE SOUGHT AT MEET

County officials, headed by Thomas J. Callan Sr. of Colma, chairman of the board of supervisors, appeared before the state water resources board this week to request federal funds for flood control projects in San Mateo county.

Callan was accompanied by county engineer Melville Grant and his assistant, Don Wilson.

Mayors of the county's cities were also invited to attend the session.

According to Callan, a favorable recommendation by the water resources board could mean considerable aid for the stricken Broadmoor area, as well as for other county communities.

The funds will come from the federal government, but request for allocations in the state's counties must come from the water resources board.

Last September the state water resources board outlined a program for proposed federal flood control appropriations, but decided to review their recommendations "in view of the flood conditions that occurred during December." The board's revised recommendations will be considered by the house and senate appropriations committees in Washington, D.C.

Muir Woods National Monument is named for the famous explorer, author and naturalist, John Muir, first president of the Sierra Club.

Two For Tonight

By Leonore Brewer

Ballet Russe de Monte Carlo returns to the Opera House for four performances only, February 5 (matinee and evening) and the nights of February 6 and 7. This year the company is bringing Alicia Alonso, Igor Youskevitch and Frederic Franklin, three of the brightest stars in the ballet firmament in a repertoire of ballets closely identified with this company during its years of bringing the best in ballet to enthusiastic audiences.

"Les Sylphides," (doesn't anyone ever think of producing "La Sylphide"?), "Swan Lake" (Act II) and "Giselle" will make the classicists happy, "The Mikado" (Sunday matinee performance only) is perfect for the kiddies; "Le Beau Danube" and "Gaiete Parisienne" will receieve a nostalgic welcome from the members of the audience who have been faithful to this company through the years, and "La Dama a la Licorne" (The Lady and the Unicorn) will please those who take delight in something new.

Unusual Work

Inspired by some 15th century Gobelin tapestries, Jean Cocteau, famous French dramatist, poet, artist and novelist wrote the story for "La Dama a la Licorne" and also designed the decor and costumes. Choreography is by the well-known Heinz Rosen to music by Jacques Chailley. To judge by Cocteau's work in such films as "Beauty and the Beast," "The Strange Ones" and "Orpheus," his latest venture into the world of ballet should result in something very unusual. Considerable interest has been expressed in this new ballet and it has been scheduled for two performances, Sunday and Tuesday evenings.

Another ballet, "Pas de Quatre," deserves particular mention. As the name implies, it is a dance for four people, and when first produced in London in 1845 starred Taglioni, Grisi, Cerito and Grahn, four of the greatest ballerinas of the period. Only Elssler was missing, not even Benjamin Lumley, director of the theatre, being able to accomplish the impossible—Elssler and Taglioni on the same stage at the same time. Talking about his extraordinary achievement long years after, Lumley was to say that, " . . . each was a queen in her own right—alone, absolute, supreme."

Tough Assignment

But if you think that assembling such a quartet was a triumph of diplomacy, think of the assignment that Perrot the choreographer had! This lone man had to invent ensembles acceptable to all four and also individual variations to display each artist's individuality to best advantage. Tempers were lost, at one point everything seemed hopeless, but came opening night and the four danced like dreams and behaved angelically. The critics raved and the public went mad, covering the stage with flowers.

It was performed only four times with its original cast and then shelved for almost a century. After being restored to the active repertoire, there were several productions, the most noteworthy being that given by the Ballet Russe in 1948, starring Markoya, Daniloya, Slavenska and Krassovska.

"Pas de Quatre," a reflection of the age of romantic ballet with satirical overtones, will be danced Sunday evening and should be a fine contrast to the new work by Cocteau, who gave us "Le Jeune Homme et la Mort," than which nothing could be further from the romantic age.

News From Here & There

By Eleanor Doyle

After completing two years of duty with the U. S. Army, its back to being a civilian for (Sgt.) Paul Alabona of Crocker avenue. Paul spent most of his time in Korea and recently was discharged from Fort Ord. His plans for the future are to go back to San Francisco State college and complete his schooling.

Congratulations to Frank and Peggy Benjamin of Hanover street, who will celebrate their first year of marriage on February 5.

Leaving soon to join her husband who is stationed in San Diego is Mrs. Grace Winters of Hillside boulevard. Grace is a recent graduate of Jeff high and leaves behind many friends, but I'm sure that she will keep in touch with everyone.

The Reylance home on Second avenue is back to normal after a bout with the mumps. Big brother Dan passed them on to his little brother Tim and he decided to share his with Mom. Okay, Dad, its your turn next.

Mrs. Dolly Gensel of Abbot was hostess for the recent meeting of the Martha Circle of the Grace Presbyterian church. The monthly meetings are held in the member's home.

A very recent letter from their son informs the Peter Bellandos of Shakespeare street that he is now a Staff Sergeant. So our congratulations to you, Staff Sgt. Wallace Bellando, over there in Okinawa.

Measles once again visited the Burdick family on Frankfort street. Seems that Dannette and Carol both decided to get them and keep one another company (and also to keep Mom busy). Here's hoping that Carol will be all over the measles in time to celebrate her birthday.

Reverend N. C. Ellerman of East Vista is improving rapidly after his recent operation and is quite anxious to be back on the job as Service Pastor at the King George Hotel.

That Mary Jean Marchetti of W. Moltke seems to be a busy little girl these days. She was selected as one of the greeters who welcomed Patrice Munsel when she arrived at the Oakland Depot a few weeks ago. She is very proud of the autograph that Miss Munsel gave her. Mary Jean, who is only eight, certainly gets around.

Miss Gloria Ciarlanti of Templeton is home once again and sporting a new body cast. She is keeping very busy and seems to be so cheerful at all times. Keep it up, Gloria, and the time will go by fast.

The latest letter from Fran Riggar tells us that she has become quite active in PTA work in Japan. Your letters are very interesting, Fran, and we look forward to hearing from you.

The annual dinner dance of the CALICO CLICKERS was held last week at Castle Hall. A large crowd attended with everyone having a wonderful time.

Belated birthday wishes to Mrs. Carlotte Arko on Los Olivos.

Mrs. Sue Pedemonte entertained a group of friends in her home on Hillside boulevard last week. The luncheon was enjoyed by the Mesdames Mibelli, Mahood, Piccardo, Lucchesi, Sampino and Sampino Sr.

The Hillside Improvement club is busy planning for their first dance of the year. Jack Walrinta, chairman, and his committee are working very hard to make their Valentine Dance a big success. Seems that this club is always doing something to keep their members interested.

The family gathering at the Lesher home on Castle street the other evening was to help Dad (DON) celebrate his birthday. So many happy returns, Don, from all of us.

A mighty proud guy these days is Johnny Gallagher of Woodrow. At the recent Flood Relief Golf Game at Harding, he was a fore caddy for Byron Nelson. Johnny, quite a golfer himself, enjoyed every minute of it.

A get well wish is being sent to Mrs. A. Guastavino on 87th street, who has been on the sick list.

For anyone who is interested in PTA work this is the most important time of the year. Not only do we celebrate Founders Day, we also bestow a Life Membership Pin on a very worthy person. So please try and attend your next PTA meeting.

Another belated birthday wish goes to Mrs. Joann Cooper on Teresa street. Many relatives gathered to help her celebrate the day.

Andy & Jackie Castle of Abbot avenue held a surprise wedding reception in their home last week honoring her mother who just became Mrs. Ralph Haun. The couple were married in Idaho and were on their way home to Merced when they stopped in and visited the folks.

Happy birthday (a few days late) to MASTER JOHNNY KIRBY of Abbot who blew out seven candles on his birthday cake. Just the immediate family helped John celebrate the day.

Mrs. Linda Light of Woodrow is hobbling around quite well these days minus her cast. She broke her ankle while pheasant hunting about six weeks ago. . . . Her brother Chuck Jones who resides with her also parted with his cast just two weeks ago. Chuck, who is a roofer, met with an accident and had to have his knee cap removed.

Mrs. Dorothy Knox of Parma who is the Girl Scout neighborhood chairman for Sterling Park, now holds her regular meetings at the Colma school. Due to the large attendance the school was picked as a suitable meeting place. Miss Margaret Dadey, executive director of North San Maeto county district, was guest of honor at the January meeting. Plans are being made for the Dad-Daughter box supper to be held sometime this month. . . . Mrs. Knox appointed Mrs. Mary Quinteros as the new secretary for the group.

A great big welcome to Don Penwell and his family, who are the latest newcomers to Abbot avenue.

The Girl Scouts in Troop 20 certainly sound like they enjoyed their evening of swimming at the Jefferson pool last Wednesday night. This is the first outing for the girls and they really enjoyed every minute of it.

I think that a wee bit of excitement is beginning to creep in at the Boyle home on Templeton. Mrs. Boyle made reservations last year to fly to Europe with her four youngsters. She plans on visiting her parents in Ireland for four months. Her husband Peter plans on joining her later, where he too hopes to re-visit some of the places he saw while in the service.

Happy birthday to Master Dennis Harvey of Florence street who will be celebrating his very first birthday February 6.

Another happy birthday wish goes to Micheal James Bishop on Chester street, who will also be celebrating his first birthday on February 9. A family gathering will help Master Micheal blow out that candle on his birthday cake.

Sympathy goes to the Maasberg family in the sudden loss of their Mother and Grandmother. She will be missed by many.

Well, its adieux for this week. Don't forget to call PL 5-5419. Even if you don't have any news I still would like to hear from many of you.

McKAY URGES VOTER REGISTRATION DRIVE

All cities in the county that have annexed inhabited territory since the 1950 Federal census were urged to join in a concerted voter registration drive by James T. McKay, vice chairman of the Democratic Central committee.

McKay pointed out that portions of the state subventions for the vehicle license taxes and gasoline taxes are appropriated to cities based on the number of registered voters in annexed inhabited territory.

"Failure to make voter registration drives has cost and will continue to cost local taxpapers millions of dollars over the years," claimed the Democratic committeeman.

"The lack of a 25th district assemblyman to call the attention of city officials to those available funds is a contributing factor in the unnecessarily high local property tax rates," he stated.

Voter registration drive is now being organized by the Democratic Central committee under the supervision of Mrs. Edna Laurel Calhan of Sharp Park.

PL 5-0679

A great many small and medium-sized boys are going to miss one of their favorite play places this coming summer, for the fallen logs where they built forts and the line of small willow trees which were perfect for pirates, Indians, Tarzan or the like are all gone, pushed down and aside by the various machines which are grading the Benjamin Franklin school area. For all we welcome the badly-needed new classroom space, we miss the trees, too—the last of all the various landmarks on the Broadmoor-Westlake border to give way to buildings. It doesn't seem so long ago that there were artichoke fields where the Baptist church is, and impromptu Sunday rodeos in "Buffalo Bill's" lower pasture, now the pumping station area, to say nothing of that BPOA barn dance in the old barn!

Sixteen close friends and members of the family gathered at the Reyes home on Midway to help Roxanne celebrate her fourth birthday. Mother Florence gave her a very special party—a Sunday brunch. Ham and creamed eggs, a sort of Italian fried mush, rolls and coffee and birthday cake were on the mouth-watering menu!

Registration News

Some of our local registrars asked us to remind everybody about this important voting year, particularly if any of you, as individuals, did not receive a notice of the Northgate election. It may mean that your registration has been cancelled, so it will be well to check and re-register. An election notice received by a husband only may mean the wife's registration has been cancelled, and vice versa. Better check now before it's too late.

Sorry to hear that Village Lane's Nate Chelone is in the middle of a two week's hospital visit following an operation on his back, but glad to hear he's coming along pretty well. He'll still have to have about six weeks' convalescence at home, though, afterward, so hope there will be some sun afound that time to help those weeks fly by.

Automobiles seem to be foremost in Garden Lane news lately, with Dr. Ted Bartelmez being the owner of a nice new robin's egg blue foreign affair, one of the small sort which turn out to be occupying the parking space you think is empty till you get ready to turn in!

Manila Visitor

Billie and Bob Buchanan had a two-day visitor the other day over on Manila when Vern McGinnis stopped by. He's a friend of theirs who used to live in S. F., and has since been transferred to Long Beach, courtesy of the State Highway Patrol. He came up to check on what the storms had done to his S. F. house, and to check up on the Buchanans. They were supposed to go down to the McGinnis' after Christmas and see the Rose Bowl Parade, etc., but Billie had flu and the trip had to be cancelled. She's all over that, now, and in the throes of rehearsal for "The Drunkard." Informed sources tell us that in some of the pictures taken of the cast in costume, Billie looks like Jane Wyman. Hollywood, look out!

Helen Zylker has brought a new little girl home from the hospital to join her brood at home on Nimitz, and father Dick is being very proud for the fifth time! Sister Julie is especially glad to have 6 lb., 12 oz. Linda Anne to keep her company with Ricky, Jimmy and Kenny acting very much like boys—and brothers!

Scrapbook: Katie Flanagan hopes to be back in Broadmoor again sometime in the future. She and Ray are tentatively on Mission street with her mother, having sold their Westlake home. . . . Eunice Irvine's mother, Mrs. Emma Walker, is having a nice long visit with her family on Garden Lane. . . . Judy Logan has a very new, very chic hairdo. . . . The blacksmith shoeing a horse by the stables across from the police station was a kind of nostalgic thing to see the other day—shades of a country childhood . . . Young Tom McNally had a mud bath awhile back when he fell over the edge of the Larchmont playground and wound up in mud up to his shoulders. . . . Mumps really played havoc among the Proctor and Hartman families—five cases since Christmas, including one very sick father. All in the family, too, as Jean P. and Marilyn H. are sisters. . . . Lillian Crawford down on Ellis was very ill with the same uncomfortable problem. . . . Corinne Bryce's mother, Mrs. Marjorie Howe, has moved up from San Jose and taken an apartment in Westlake.

Family Dinner

Vi Zaitz had a houseful a couple of Sundays ago when she gave a dinner in honor of her cousin, Esther Wells, visiting from Seattle. The whole clan gathered on Nimitz drive, with Vi's mother, Mrs. George Fowler, and her brother Bob coming from Tuolomne, her sister and husband, the Don Powers, from Saratoga, and a friend, Merle Toler, coming from Sonora. Then there were Vi's grandmother, Mrs. Rena Crawford, from San Francisco, her uncle, Chet Crawford, also from SF, and Les and Tex Grisel, another SF aunt and uncle. Quite a gathering—and a fine time they all had, too.

Cathy Proctor and Linda Hartman turned waitress the other evening and served dinner for Grady Proctor, and his friends at his 6th birthday party. Guests were Becky Locke, Vince Haymaker, Mona Doyle, Rita Glischinski, Leslie Williams, Steven and Connie Surges, Chrissie Mitchell, Pam Barca, Chrissie Morch, Susie Williams, Heidi Hartman and Danny Proctor. The Proctor home on Maddux was pretty busy for a while!

New young man about town is Thomas Patrick Norton, an 8 lb., 16 oz. personage who has taken up residence with Wilma and Joseph Norton on MacArthur. He has been made most welcome by sister Laura Jean, brothers Joseph, Daniel and Billy, and other pleased friends and relatives thereabouts.

Mayo and Corinne Bryce gave another one of their student breakfasts recently when they entertained some 25 members of the secondary art education class at SF state. Present also was special guest Miss Ann Valerian, who is art education instructor at New Paltz State College in New York state, and taking her sabbatical this year.

Son David couldn't be left out, either, and commandeered the house on Garden Lane for his own 5th birthday, complete with a circus theme, cake, balloons and movies. Carol and Dorothy Irvine, Michael Sattel, Margie Bartelmez Tommy Orlich Beth Lichtenberg and Mark Bryce enjoyed it all right along with David.

Stanley Party

Thornhill's Mary Jane O'Brien gave a Stanley party, with Audrey Larcher as demonstrator. Dolores Helmer, Billie Buchanan, Bea Gantert, Doris Cunningham, Eileen Crofton, Ann Duffy, Dolores Reed, Pat Redmond and Margaret Musto were the guests who gathered for fun, Stanley products and refreshments. Later in the evening, some of them had a special treat when Mary Jane played a recording of the High Mass sung at Holy Angels church at Christmas. Her husband, Gene, made the recording, and we hear it was magnificent.

Broadmoor patrolman Chuck Manning contributed his services to 17th District, CCPT, recently, when he helped set up a safety picture for their film slide series about PTA work. Chuck is recorded for posterity, as both he and the BPD ambulance gurney were in the picture. There were probably quite a few Maddux drive residents who wondered what was what while the picture was being taken, what with police cars, uniforms, equipment and other props all over the place!

Fete Birthday?

Dorothy Orlich of Garden Lane had a birthday for herself, but it wasn't her own day at all, really. She spent it working on the PTA hot dog sale at school, getting son Tommy ready to go to a birthday party, and joining other Villagers, Ginny Collins and Marion Olsen, in innoculating children with Salk vaccine down at the county health center. Then, that evening, she went to one of husband Mike's basketball games! Her time came the following Saturday, however, when she and Mike went out for dinner and the evening.

Getting into the swing of things, we had a copper party at our house, with Rusty Marion of South San Francisco as demonstrator, and a wonderful group of friends and neighbors as guests. We enjoyed the company of Gerrie Reichard, Mona Baker, Dolores Helmer, Peggy Northrup, Ruth Brown, Addie Mattison, Kay Logan, Pat Stockslager, Helen Kolb, Millie Esposto, Mary Lichtenberg, Meredith Orloff, Bette Hart, Jean Proctor, Marilyn Hartman, Bea Gantert, and Nonette Swedberg. Incidentally, if any of these lost a large gray shiny coat button, we have it!

Gains Citizenship

Congratulations to Dr. Jon Karlsson of our town, who received his final citizenship papers last week. He and wife Lura Lee live on Sweetwood, with Eric Allen, Mark Olaf, Jon Stefan, and Sigrid Eileen making a busy, happy household. Jon has his Ph.D. and M.D. degrees, and is a lecturer at U. C. Medical school, with biochemistry as his specialty, particularly tuberculosis research. He came to this country from Iceland in 1942 on a government scholarship to U. C.

JENSEN, MARKOVICH ON NOMINATING GROUP FOR JC POST

Completion of the citizens' nominating committee to recommend to him potential replacements to fill the vacancy on the San Mateo Junior College District board of trustees was announced today by County Schools Superintendent James R. Tormey.

Heading the committee and appointed chairman is Mrs. Stella L. Jensen, 490 D street, Colma, who resigned last year as president of the County School Board association, after many years of service to the schools of the county including terms on the Jefferson Union High school and Junior College boards of trustees. Another local member of the nominating committee is Peter J. Markovich, 160 Northgate avenue, Daly City, insurance broker, former trustee of the Jefferson Union High School district, and former member of the county committee on school district organization.

The United States Mint at San Francisco is equipped with a gun tower and tear gas lines.

The Joshua tree is a member of the lily family bearing creamy blossoms in clusters eight to 14 inches long.

Crockerites Report

First Grade - Mrs. Koenig

First graders at Crocker have been busy studying the calendar. They were interested to learn that each new day begins while they are sleeping. By writing numbers to 365 they obtained a little idea of the length of a year.

They made calendars for January and counted how many more months would have to pass before January comes again.

Now, they are studying seeds and what happens to them and to plants in winter and spring. Each child is now hoping the seed he planted will be the first to grow.

The class had a big surprise when a package arrived in our classroom this week. It was a new album of records for auditory training called, "Let's Listen." These rec. l will certainly make learning fun for these children.

Larry Colondres surprised the class, too, by bringing some pictures of the class that his mother had taken the night of our Christmas program. Everyone was happy to see them and recall the fun they had being toys in the program.

Rochelle Rivera has been out with Mumps, therefore we are very suspicious of every cold that develops in the class. Seeing the movies "How to Catch a Cold," has made the class very "Cold" conscious, too.

Fifth Grade - Mrs. Clarke

Wednesday, January 11, our class visited the International Airport. It is the fifth largest airport in the United States.

We saw how the luggage got down to the ground floor. They put the luggage in a miniature elevator.

The International Airport has set a record of the least crashes in the United States. They don't want to brag about it because they are superstitious.

Our class has made many things for our mothers and fathers. For instance, clay masks were made by the students. We finished our papier-mache masks. We also made two maps. One of North America and the other of South America. We made both maps out of newspaper and paste.

Honor PTA Founders During This Month

February is the month PTA units commemorate the founding of the first Congress of Parents and Teachers that began in the United States 59 years ago.

Final plans were discussed during the Colma PTA executive board meeting at the Jefferson elementary school Tuesday. The founders' day meeting will be held in the multipurpose room at 7:30 p.m. on February 7. The skit, "Mr. Facts," will be presented. Charter members and past presidents will be honored.

Youth Sunday At Local Church

Dr. Howard Patrick McConnell, minister of the 101 Vista Grande Christian church, announces that this coming Sunday is Youth Sunday.

Youth will assist at the morning service at 10:55 o'clock, and Rev. J. C. Arnold of McAdoo Texas will bring the morning sermon. Dr. McConnell will preside over the service.

Sunday school with classes for all ages is held at 9 o'clock. The use of religious motion pictures, and color slides, makes the school unusually attractive for the children, McConnell said. Colored cartoon papers of Bible stories are a newly added feature to the school materials. Oliver deGraaf is the superintendent of the Sunday school.

Officers of the church meet on Tuesday evening with Everett Allen, president of the congregation, presiding. Mrs. Charles Baldinger is secretary.

Bible study is held on Wednesday evening and the weekly prepared dinner to which the public is cordially invited is held on Thursday evening at 6:30 o'clock. The program following the dinner each week is in charge of Dr. McConnell. Mrs. Sydney King is in charge of the dinners, and Mrs. Robert Hacker of the dining room service.

"THE BEST ARMOUR IS TO KEEP OUT OF GUNSHOT

— *(Author's name below) —

Your body is a miracle of sickness fighting efficiency. Everyone of us has within us the germs of many serious diseases. As long as your resistance is good these troublemakers are kept under control. Any temporary physical weakness invites sickness.

The best defense is to visit your Physician at the very first sign of illness and let him help you to relieve the condition before any disease takes a firm hold.

Communities Like People, Dean Tells Parent Education Group

"Communities are just like people," said Dr. John Ivan, dean of boys, in the third lecture of the parent-education program presented by the Jefferson Union High PTA Tuesday. "There are old ones, young ones, lazy ones, energetic ones, small ones, bright ones and they grow just like people," he explained.

Dr. Ivan's topic was sociological problems in a growing area and particular emphasis was placed on the problems created by rapid growth in Daly City.

Some of these problems cited were lack of facilities for recreation, unpaved streets and inadequate plumbing, delays in obtaining phone service, the adjustment required to groups of new neighbors, and the stress of trying to maintain high family standards. Schools become crowded, double sessions become necessary, and it is necessary for young people to adjust to large numbers of new people, he continued. Dr. Ivan believes that the present generation of parents are having to adjust to greater and stranger conditions than existed during the Industrial Revolution. Television, jet planes, atomic developments, etc. will be taken for granted by our children, but to us they are almost overwhelming, related the dean. However, he concluded that since 'like attracts like,' most communities adjust with their growth and finally settle into middle age and security.

After the lecture, the meeting was open for discussion from the audience.

It was pointed out that the PTA should try to make conditions attractive for the school in order to continue to engage teachers of high standards and qualifications.

Jeff Hi PTA In Extensive Fund Campaign

Jefferson Union High PTA is making an all-out effort to raise funds for student welfare and scholarships by holding a pot luck dinner on February 16 in the school cafeteria from 6:30 to 7:30 p.m. Tickets for adults are $1, 50 cents for children under 12 years.

Mrs. S. Michelsen, ways and means chairman, is in charge of the dinner. Anyone who wants to bring a hot dish for six, or any other part of the dinner can receive a dinner ticket for their contribution. Those who might want to help with decorations and arrangements can contact Mrs. Michelsen at JU 7-4690.

Mrs. Fred Kruse, president of the unit, stated that the recent $100 donation made to the student welfare fund had almost been used up and that many students were still in need of help. She also said that the scholarship award depends on the success of the dinner and she hopes entire families will avail themselves of a good dinner inexpensively for the benefit of the school.

Those parents who might have overlooked sending in their membership money can still do so during this month.

Eagles To Launch Giant Freedom Drive Balloons

Fraternal Order of Eagles, Aerie No. 1848 of Daly City, will launch giant Crusade for Freedom balloons on Lincoln's birthday, February 12, Aerie President Joseph Rayla announced today.

The launching will signal the start of Freedom Week and the 1956 campaign in support of Radio Free Europe and Free Europe Press, Del C. Wilson said.

The balloons will be the same as those used by Free Europe Press to carry millions of leaflets to the Soviet-enslaved people in countries back of the Iron Curtain, he continued.

"These balloon-borne leaflets," Wilson said, "have strengthened and sustained the peoples' opposition to their Communist regimes."

"Eagle Aeries all over the country are joining in this third annual launching to help dramatize the vital work of the Crusade for Freedom through which millions of Americans are supporting this communist-fighting program."

Wilson stressed that this work is privately supported and said contributions can be mailed to Crusade for Freedom, care of the local postmaster, Vincent Murphy, Daly City.

JEFF HI BOARD SETS 2nd MEET ON STAFF RAISE

Jefferson Union High school board of trustees will meet with Elman Rose of the teachers finance committee next Monday night to discuss teachers' request for a $450 across the board salary increase.

Agreement to hold the meeting was made Monday night at the suggestion of Jefferson Principal John Mongan who stated that study of the problem could better be accomplished by a small group. Mongan also urged trustees to work with the teachers group in planning a long-range faculty salary program.

"Figure out your common goal and then work out a way to implement it," the principal told the assembled group.

Both Mongan and Westmoor Principal Glenn South declared that the present teacher salary schedule is hindering the administration in hiring capable new faculty members.

LAGUNA, SG HOLD LEADERSHIP IN DC BASKETBALL

Laguna Salada, drawing a bye, and St. Gabriels Eagles, winning 55-34 over St. Stephen's Saturday, still share first in the "A" division of the Daly City Invitational Basketball league.

The two teams will meet next Saturday and the victor will virtually have cinched the championship.

Backboard control and aggressive play gave the Eagles an easy win over St. Stephens. High for the losers was Frank Ahern with 15, while the Eagles Bill Watson was leading scorer for the evening with 17, followed by teammate Jim Scott's 15.

Reade Hits 36

St. Gabriels Gulls bounced back from an upset loss the previous week to down Holy Angels, 47-34. Once again Chad Reade led his mates by pouring through 16 field goals and four free throws for a total of 36 points. High for HA was George Perata, 14, followed by Tom McHugh, 11.

Other "A" games found St. Michael's winning over Broadmoor Hawks, 38-21, as Jim Calcagno notched 15 points for the winners. Web Parker's 9 was best for the losers.

Lincoln was victorious over Broadmoor Comets, 43-23. Tom Kett and Dick Reese helped the victor's cause with 14 and 10 points, respectively. Bill Banos of the losers collected 10.

OLPH maintained its fourth place position and a chance for the playoffs by defeating Brisbane, 45-34. Bobby With of Brisbane tallied 24 points, but could gain no scoring support from his teammates. Bill Whalen of OLPH topped OLPH efforts with 16 digits, followed by Wismar, 12, and Nolan, 10.

HA, Colma Top B's

The "B" division, Holy Angels and Colma strengthened their first place positions in registering their seventh straight wins.

Holy Angels massacred Broadmoor Dodgers, 55-4, as Billy Townsend got all the points for the badly-outclassed losers. Jim Donati scored 16 in leading HA to the one-sided victory.

Colma kept pace by downing St. Gabriel's Raiders, 24-17. Sonny Stoller of Colma grabbed scoring honors with eight points. For the losers, John Giovannoni was high with 7.

St. Gabriels Greyhounds downed Laguna Salada, 36-17, to hand LS their third straight defeat after holding a share of first place for four weeks.

Jim Duckworth of the Greyhounds amassed 9 markers for high points honors. Brisbane closed the afternoon with a 32-6 win over OLPH II, while OLPH I was downing Broadmoor Rebels, 46-25.

Some 300 women in local PTA units are making a door-to-door canvass this week to gain information on pre-school age children as part of the county-wide continuing school survey.

The survey will be concluded here about February 10.

As an over-all goal, the survey will attempt to find out the following information: future school enrollments, classroom and other needs, site needs, assessed valuation, financial ability to meet needs, existing public school facilities, distribution of student populations, count and distribution of pre-school children, location and capacity of private schools.

Jefferson Elementary School district will contribute approximately $986 toward the county-wide survey this year, while the Jefferson High district will spend $897.

City-Owned Dump Truck Rams Into Parked Auto

An auto owned by a San Francisco resident was damaged Friday afternoon when it was struck by a city-owned one and a half ton dump truck on Baldwin street west of Edgemar road.

Police said the accident occurred when driver of the truck, Edward I. Byrne, 30, 29 San Pedro avenue, was backing the vehicle up a steep grade and failed to see the parked car.

NEW TRIAL DATE FOR ABORTION SUSPECTS IS SET

Jury trial of Mrs. Alta Anderson and her daughter, Mrs. Mae Rodley, charged with operating an abortion mill at a Broadmoor home, was set for March 12 by Superior Judge Aylett R. Cotton.

Mrs. Anderson, 57, of 590 Washington street, Broadmoor, and her 38-year-old daughter, who lives at 453 B street, Colma, are charged with two and one abortion counts, respectively.

The delay in trial date was necessitated by the suspension of one of Mrs. Anderson's attorneys, Leo Sullivan, who will not be allowed to practice law for 90 days.

The court ruled Monday that the two indictments against Mrs. Anderson would be combined in one trial, over objection of defense attorney Richard Lyons.

The two women were indicted by the grand jury after testimony of a San Francisco housewife who said she had undergone an abortion at the Anderson residence.

Jeffs Bow to San Mateo, Need Victory Tonight To Hold Share Of First In NPAL

JEFFS' INACCURACY GIVES MATEANS TIE IN NORTH DIVISION

Utilizing a cautious but effective offense, San Mateo surged back into a tie for first in the NPAL basketball race Tuesday as they toppled Jefferson, 48-33, on the Daly City court.

The Indians' inaccuracy accounted for the one-sided contest, as the Daly City club trailed by a wide margin throughout the game.

Center Ray Schultz scored the Indians only field goal in the first quarter and the locals found themselves on the short end of a 10-2 score at the end of the period.

The Indians big quarter was the second when they rang up 12 points, with Darrell Hutchenson hitting six of them. Half-time score stood 20-14, San Mateo's favor.

In the third session Hutchenson got a pair of field goals but his club could amass only nine points, against 14 for the Bearcats, and the Daly Cityans trailed, 34-23, at the close of the third period. At one point during the third period the Indians shrunk the margin to 22-20, but six points via charity tosses was all the impetus San Mateo needed to rally back in front for good.

Unusual Offense

The Mateans zone defense stymied the Indian attack, while the Bearcats used an unusual offense, playing the guards almost back at mid-court, as they drew the defenders out and waited for good shooting opportunities.

The Bearcats made good on 14 free throws, while Jeff hit 7.

Hutchenson topped Jeff scoring with 12 points, while the Indians leading point-maker, Larry Pottinger, came up with only 4, and a usually consistent scorer, Jim Honeywell, was blanked.

The loss dropped Jefferson into a tie for first with San Mateo. Each has 5-2 records. After their victory Friday over Carlmont, the Indians had held undisputed first, since the Mateans were upset by South San Francisco.

The lightweight race took on a new complexion as the Daly City 30s handed league-leading San Mateo their second defeat of the season, 37-30.

Coupled with Capuchino's defeat by South San Francisco Tuesday, the standings now show Cap and San Mateo in a tie for first with 4-2 records, with the Indians right behind with a 3-3 mark. This contrasts with the opening games of the first round, which saw Jefferson right near the cellar.

Jefferson High school's Indian varsity will attempt to hold their share of first place tonight (Friday) when they travel to Burlingame for a night contest with the Panthers.

The Burlingame five, with a 4-3 record, could give the Indian trouble, as they handed the Daly City club their initial league defeat back on Friday the thirteenth, January 13.

The Daly City lightweights had little trouble disposing of the Panthers in the opening round, and are expected to prevail tonight.

Next Friday will mark the semi-windup of the league season, when the two Indian quintets travel to Millbrae to meet a pair of good Capuchino teams.

The local varsity, by winning its three remaining contests can cinch a tie for first in the NPAL.

Carlmont Threatens, Succumbs

The Indians from Jefferson High school were all by themselves in first place in the PAL basketball race for three short days this week, following their 63-53 victory over Carlmont Friday night.

The win that gave the Daly City cagers a 5-1 mark did not come easily, however, as the Jeffs were forced to overtake the Scots after trailing, 33-24, at half-time.

Coach Mike Orlich's casaba crew were shaken up when the Highlanders bounded to a 24-12 first quarter lead, as Bob Rosegar, Ernie Rick, Lars Johnson and Dan Grener each tallied six points.

The second period didn't find the Indians gaining much, although they tallied 12 points, against nine for the Scots, making it 33-24 at the half, Carlmont advantage.

With Larry Pottinger and Darrell Hutchenson hacking away at the bucket for six markers apiece in the third session, the Jeffs rolled up 21 points for the quarter, as the lead changed hands several times. At the end of the period, however, the Indians had finally gained the advantage for good, 45-41.

The Scots' Rick cut loose for six points in the final heat, but Pottinger more than kept pace with eight digits to keep the Jefferson lead intact.

Hutchenson copped scoring honors for the evening with 21, followed by Pottinger's 14, all in the last half.

In the lightweight tilt, the Indians made it a clean sweep as they easily bested the Scots, 44-35. With Gene "Puzzy" Firth leading the way, the papooses zoomed to a 23-18 half-time margin and held the advantage all the way. Firth's 18 markers was good for high point honors. The victory gave the little Indians a 2-3 mark in league competition.

The San Mateans forged to a 6-4 lead at the end of the first period, as Barry Haanan mustered the only Indian points. Gary Ryan's two buckets in the second stanza paced a 10-point attack that gave the Jeffs a 14-12 half-time edge, and the Indians held on to the lead the rest of the way out.

Dribbling Show

When the Bearcats moved to within five points in the final period, Jeff's George Rocchi put on a dazzling display of dribbling in an attempt to run out time, but wound up tanking two buckets himself and passing for two other field goals during his one-man show.

Haanan, a key man on the rebounds, carried off scoring honors with 12.

Seals Sign Creighton At 'Substantial' Pay Increase

Lowell Creighton Jr., 18-year-old Daly City pitcher, signed contract with the San Francisco Seals Sunday night calling for a "substantial increase" in monthly salary over that he received as a rookie last year.

The former Jefferson High school hurling star made a sensational debut with the Seals last year, shutting out then league-leading San Diego with a three-hit effort.

After that auspicious start, Creighton faltered in the next few games, and wound up the season with a 1-1 record, failing to finish in his other outings.

Technically, Creighton belongs to the Boston Red Sox on an "open classification," which means if he performs to the liking of the management, he has himself a steady job this season.

Creighton will report for spring training at DeLand, Fla., on March 5.

After 30 days workout, the Red Sox will determine which league Creighton is most suited for. Possibilities include Loisville in the AAA circuit, Montgomery, New York of the A league, or retention with the Seals, if he shows enough stuff.

Competing in high school in 1954, Creighton had 12 wins, four losses and a host of scouts after him with pen and contract. During his high school career, he won selection to the All-PAL teams and established several prep records.
